Dedication

A score of years, one fifth of a century, is a reckoning not uncommon for the length of one generation of mankind. To have effectively served in a responsible public position in one community for 20 years is an achievement realized by only a few. The subject of this sketch, Willard VanNess, was employed in the late summer of 1942 to teach commercial subjects at F.C.H.C. Mr. and Mrs. VanNess and their three year old daughter, Kathleen, then moved to our community. He was a mere stripling, "six-one" in height, and weighing exactly twenty pounds less than the 1962 scales records.

In the summer of 1943 Mr. Sprague, our head coach, heard the "call to the colors" for World War II. Mr. VanNess, with no coaching experience, agreed to take charge of softball and basketball, while Mr. Poe handled track. The "Rookie" assumed the added duties in stride along with the regular full-time classroom schedule. He produced championship teams in both sports. His basketball team compiled the best record earned by any Forreston basketball team in 20 years.

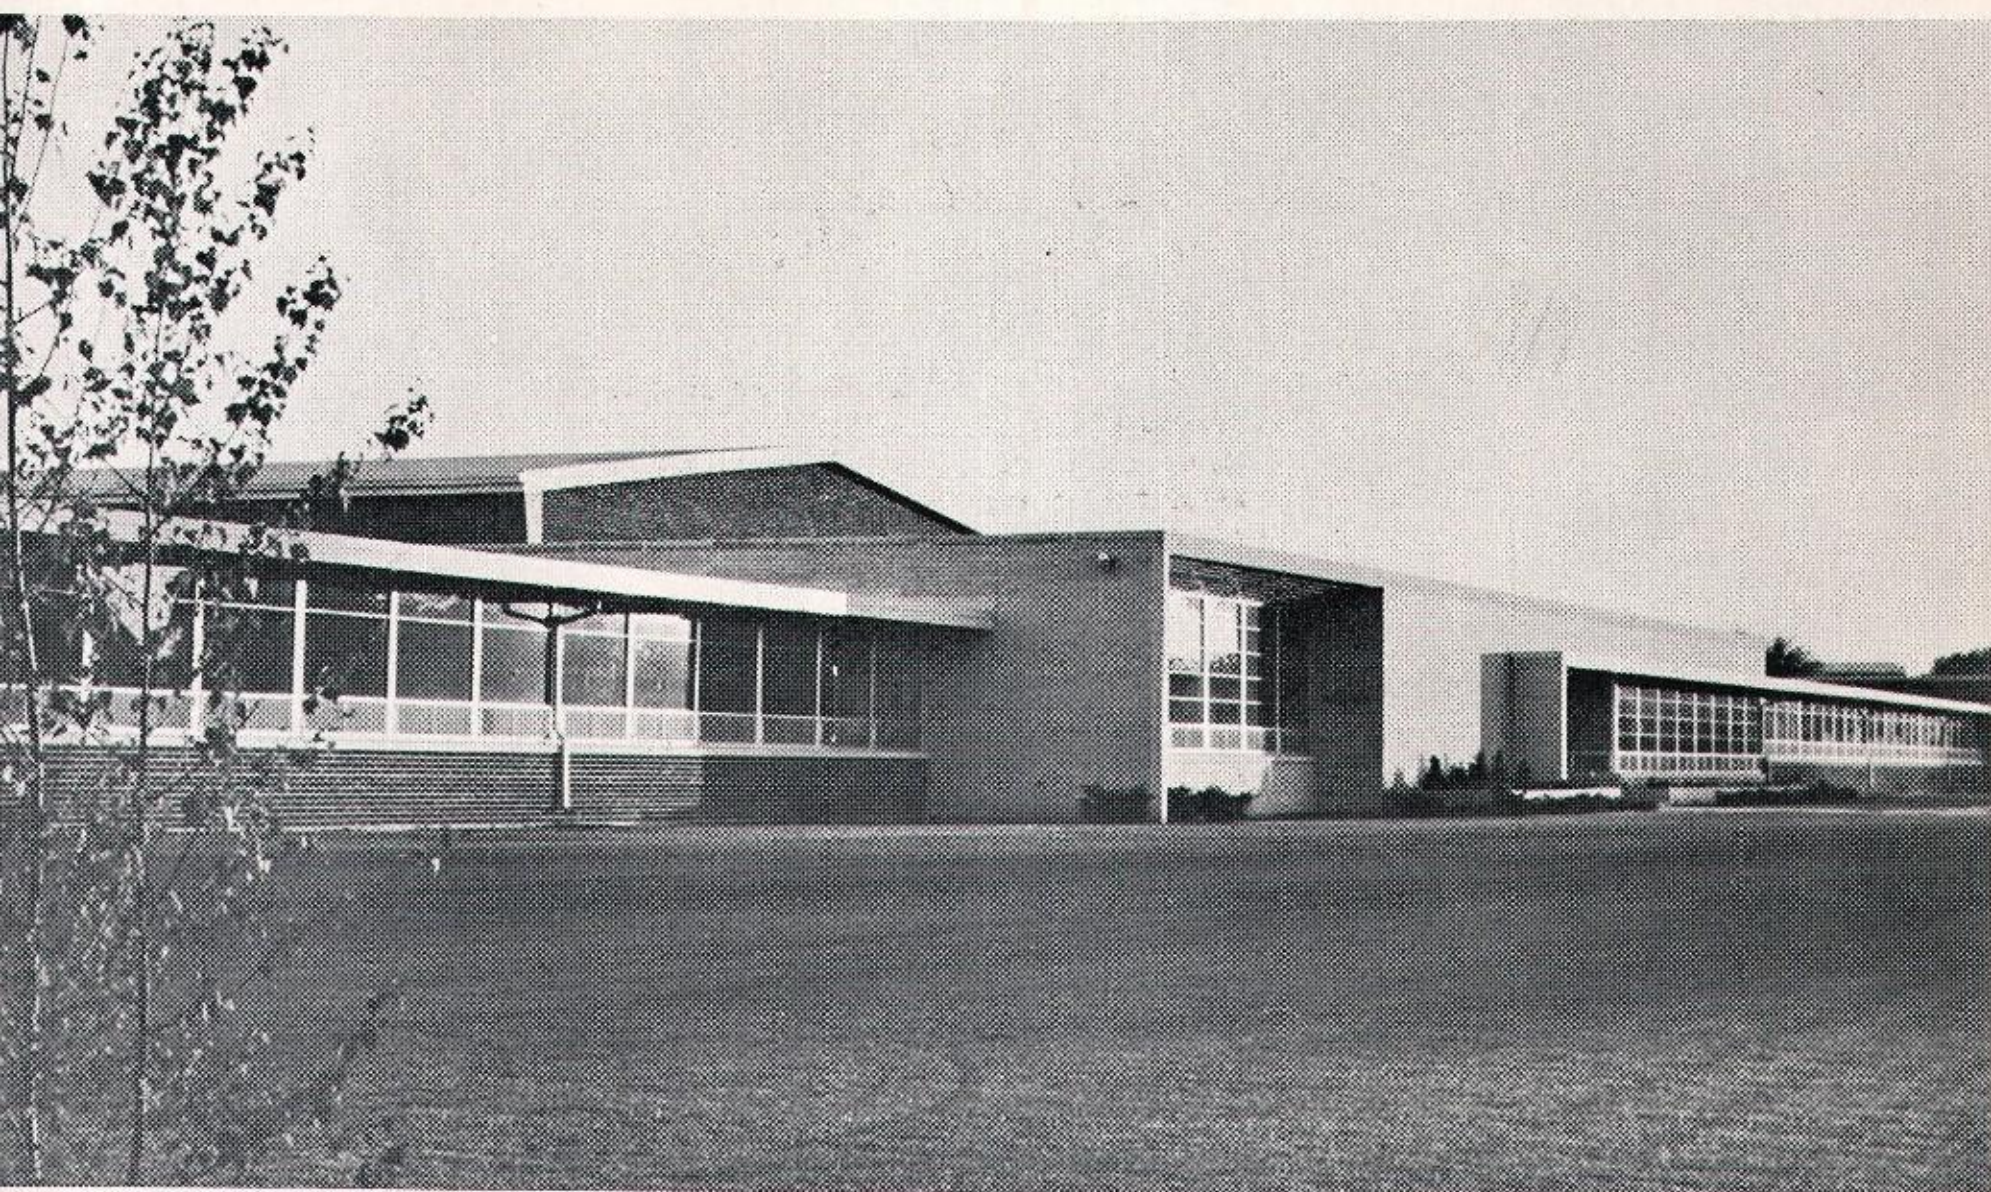

The next year he also handled track to make him a three-sport coach. He continued this heavy schedule until the fall of 1948 when Mr. Brinkmeier arrived.

The commercial department has consistently been a strong one in our school. More students go directly to gainful employment from this department than from any other in F.C.H.S. Many girls go to Freeport offices. A number of boys have held positions of trust and responsibility in the armed forces due to their commercial training at F.C.H.S.

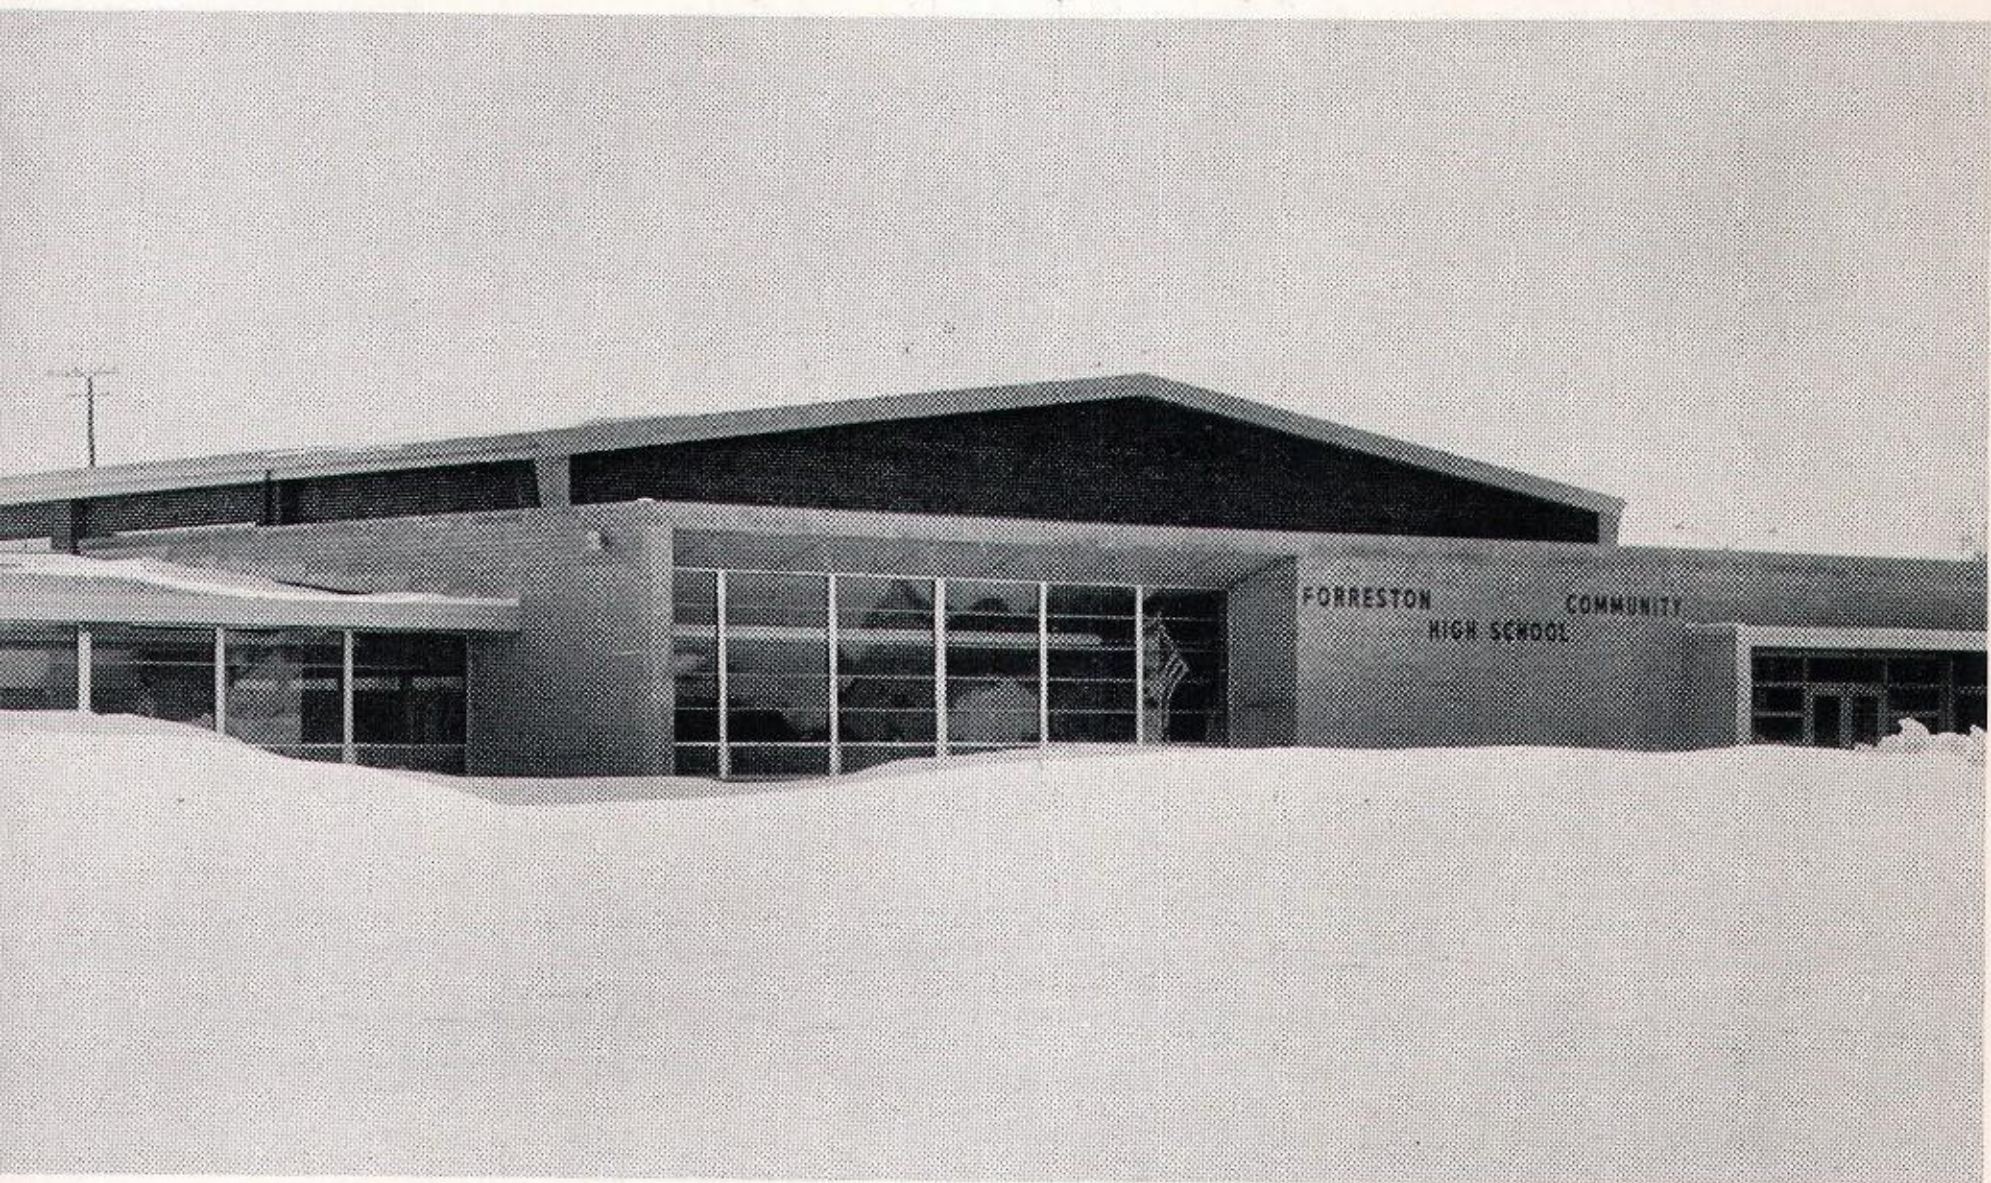

Meanwhile Mr. VanNess is like "Old Man River,"--he just keeps rolling along, and he does have second generation students in his classes. The family has an attractive new home in "Sunrise View" addition in the southeast corner of town. From that base each morning the family issues forth to three destinations: Mrs. VanNess to her teaching position at Leaf River, Mr. VanNess to F.C.H.S., and son Jim to the eighth grade rooms at Forreston Elementary School. The three year old daughter of 1942 is now completing her second year teaching Girls' P.E. at Barrington High School.

Mr. VanNess is crowning this twentieth year in our school by serving as senior class adviser and by coaching track. He also maintains that major interest in the commercial classes. He does admit that the first 20 years are probably the most difficult and he thinks he will retire just before the 40 year mark arrives. But he wears well and rolls with the punches. He could make the 50 year mark!

In view of the above record, and for the promise of the future, we, the class of 1962, are happy to dedicate this twenty-third volume of the CARDINAL to our class adviser, our commercial teacher, our track coach, and a trusted adviser at all times---Mr. Willard VanNess.

What is so rare as a day in June!

If winter comes, can spring be far behind?

School Song

1. Once again here as schoolmates assembled,
We fain would lift our hearts in song,
To our high school, our dear Alma Mater,
Let gladness the moments prolong.
We are proud of our lads and our lasses,
Of honors won in days gone by,
So here's a cheer for our old High School
For Our Old High School, Our Dear Old High.

CHORUS: Here's to our classes, Here's to our lasses,
Here's to the lads they adore,
Here's to the seniors so mighty,
Juniors so flighty, freshie, and sophomore,
Let mirth and gladness, banish all sadness,
Then as the days go by
You'll find us ready and steady
Boosting for Forrester High.

2. Soon for us will our schooldays be ended,
The dreams of youth that fade so fast
But we know that our hearts oft' will ponder,
In memories of scenes that are past,
There are joys that will long be remembered
And friendships too that ne'er can die,
So here's a cheer for our old High School
For Our Old High School, Our Dear Old High.

Pep Song

Cheer, cheer, for Forrester High
Cheer for the red and cheer for the white
May the odds be great, or small,
We'll be the victors over all.
Cheer, cheer, for Forrester High,
Raise your mighty cheers on high,
We'll stand by our Alma Mater,
On boys to VICTORY!

Administration

As is the head to the Cardinal
So are teachers and board to the school.

Board of Education

STANDING - Paul Moring, Lester Schneiderman, Robert Smith, Howard Scott. SEATED - John I. Masterson, Gerald Duitsman, Onne A. DeWall, Earl J. Link, Edward Ackerman.

The Forreton Community High School, District No. 219, was organized in the spring of 1937. The five board members elected then were: Onne A. DeWall, Earl J. Link, Herman Frey, Walter Kaney, and Clarence Rademaker. J. E. Fisher was employed to serve as clerk. Two of the original five are still members: Onne A. DeWall and Earl J. Link. Oscar Vietmeier replaced Clarence Rademaker in August, 1940, when the latter moved to Polo. Warren Kaney was elected in April, 1948, to succeed his father, Walter, who retired.

J. E. Fisher served as clerk until April, 1944, when he retired following 44 years of consecutive service on Forreton school boards. He was succeeded by B. H. Unangst who served until May, 1954. G. R. Duitsman, the present secretary, succeeded Mr. Unangst.

In 1954, a new state law became effective whereby two members were added to make a seven man board. In April, 1954, Warren Kaney was re-elected to a three year term and two new men were added: Paul Moring and Howard Scott. Glen McGraw replaced Herman Frey in 1956; Edward Ackerman took Warren Kaney's place in 1957; and Lester Schneiderman replaced Oscar Vietmeier in 1958. In 1959 Robert Smith replaced Glen McGraw, who was planning to move to Rockford. In 1960 Moring, Scott, and Ackerman were re-elected for three year terms, and in 1961 Lester Schneiderman and Onne A. DeWall were re-elected for three year terms.

Faculty

SEATED - Mrs. Lusardi, Mrs. Grande, Mrs. Amsrud, Mrs. Ellis, Mrs. Ziegler, Mrs. Frederick, Mrs. Capps, Mrs. Brinkmeier. STANDING - Mr. Carpenter, Mr. Brinkmeier, Mr. Erickson, Mr. Finch, Mr. Egan, Mr. Frederick, Mr. Kickert, Mr. VanNess, Mr. Farley, Mr. Masterson.

Thirteen full-time instructors and four at part-time make up the FCHS teaching staff. Mrs. Ziegler and Mrs. Frederick come each morning - the former to teach freshman English plus one class of junior English and the latter to handle girls' PE classes. Mrs. Ellis comes in the afternoon to teach shorthand, economics, and general math. Mrs. Amsrud is here each day at 11:30 for band or boys' chorus and parts of other days for chorus and lessons. She also has band practice every Wednesday night.

Mr. Farley and Mr. Kickert are new to our school, having succeeded to posts vacated by Mrs. Mc-Avin and Mr. Hendee. Mr. Farley has a master's degree and Mr. Kickert is well advanced on his requirements for the master's degree. Seven teachers have master's degrees and three more have made marked progress toward that goal.

Mrs. Brinkmeier is the capable and efficient office secretary. She also has charge of the Board of Education bookkeeping this year.

Dare to make it known.**

Class Poem-

"Dare to Have a Purpose Firm,
Dare to Make it Known."

We started school as freshmen "green."
This motto was a challenge keen.

A phrase by which we have worked
And have learned.

We advanced, and then our thoughts
To graduation turned.

Now as our years as students end,
Forever we have made a friend.

That friend - "our purpose" is
Knowledge true.

We will "dare to make it known"
In everything we do.

Our futures hold a lot - we know.
Commencement is our final show.

We will wait for another
"Purpose firm."

We know that there are always
Many more things to learn.

CLASS GIFT - The Class of 1962 purchased a re-frigerated drinking fountain for the school. At present, it is undecided where this fountain will be placed. The class feels that this is a gift which can be used for many years.

Senior Class History

August 29, 1958, was a memorable day for one of the largest classes of freshmen ever to enter Forreston Community High School. There were sixty-four of these vivacious freshmen whose names were: Gary Abels, Norma Anderberg, Judy Asche, George Baal, Leon Bogue, Jerrene Borchers, Steve Borchers, Joann Bornemeier, Kathleen Brunson, Lyle Coffman, Esther Dale, Kermit Daniels, Robert DeVries, Neil DeWall, Jane Duitsman, Lloyd Folkerts, Carl Forney, Sandra Gagliardi, Diana Genkinger, David Graff, Bonita Greve, Carol Hagemann, Judith Haijenga, Sandra Hammer, Karl Harmon, Virgil Hayunga, Karen Hoch, Leona Hoch, Larry Janssen, Carlton Johnson, Linda Kaderly, Gerald Kaney, Pamela Kramer, Helen Krum, Patricia Lambrecht, George Lamm, Barbara Link, Gale Ludewig, Cheryl Malott, Larry Meyer, JoAnne Miller, Karen Moore, Diane Nesemeyer, Linda Nevenhoven, Leta Pierce, Marlene Pierson, Dorothy Ratmeyer, Donna Raymond, Lyle Raymond, Roseann Raymond, Darlene Ross, Faye Ruter, Paul Sanders, Gayle Schneiderman, Michael Scott, Leland Shellhouse, Beth Smith, Larry Stein, Carol Stukenberg, Gerald Stukenberg, Rita Suess, Franklin Wahl, Frederick Wiederholtz, and Dianne Wiley. During the year, we lost JoAnne Miller, Leta Pierce, Paul Sanders, and Rita Suess, and we gained Randy Babcock, Norman Newbury, and Nancy Rogers. JoAnne Miller returned later in the year after spending a few months in Florida. Our class officers for the freshman year were:

President	Lyle Coffman
Vice-president	Barbara Link
Secretary	Carlton Johnson
Treasurer	Marlene Pierson

During the year we entered a float in the Sauerkraut Day Parade, sold magazines, and had several bake sales as money-making projects.

In the fall of 1959 our class roll showed sixty-five members. George Baal, Leon Bogue, Esther Dale, and Lyle Raymond had not returned, but Randall Bolen, Curtis Newbury, Leta Pierce, and Edgar Ruter were new members. During the year, we lost Kathleen Brunson, Sandra Hammer, and Leta Pierce; but we gained Jay Koeller. Our sophomore officers were:

President	Larry Meyer
Vice-president	Bonita Greve
Secretary	Norma Anderberg
Co-Treasurers	Sandra Gagliardi Karen Hoch

We again entered a float in the Sauerkraut Day Parade and had a stand. Other activities to fatten our treasury were magazine sales, bake sales, and car washes.

In the fall of 1960 our class enrollment dropped to fifty-five. Norman and Curtis Newbury, Edgar Ruter, Leland Shellhouse, and Franklin Wahl had not returned. A pair of Lyles, the Towering Tempel and brunette Robinson, were new members. During the year we lost Linda Kaderly. The Junior Class officers were:

President	Dianne Wiley
Vice-president	Karen Hoch
Secretary	Pamela Kramer
Co-Treasurers	Cheryl Malott Michael Scott

We entered another float in the Sauerkraut Day Parade and had a food stand. During the year we sold Cardinal folios, had a car wash, sold food at the football and basketball games, had bake sales and several "sock hops" after home games. On November 11 and 12 the Junior Class presented three one-act plays which were directed by Mrs. Capps. They were "The Uninvited Ghost," "The Storm," and "Don't Kiss Her Now." We were hosts for the 1961 prom which took place in the beautifully decorated gym. The theme was "Hawaiian Holiday" with the music by the Ray Bianchi Orchestra.

In the fall of 1961 we entered school with fifty-three seniors. New members of our class were Carol and Richard Allen, and Sharon Henry. These three members were with us for only a few months. Four others made up deficiencies to be eligible for graduation by May. The Senior Class officers were:

President	Gayle Schneiderman
Vice-president	Larry Stein
Secretary	Joann Bornemeier
Co-Treasurers	Norma Anderberg Lyle Coffman

Our class Adviser for all four years was Mr. VanNess.

During the year we had several bake sales, sold ice cream at basketball games, sold Cardinal folios, and served the Alumni Banquet. The Homecoming Dance theme was "Black Magic" with music provided by Ray Bianchi. An artistic job of decorating was done in the gym.

Our many activities gave us a fair-sized treasury and we made plans for our senior trip right after Easter to Washington, D.C. Our senior class play, directed by Mr. Farley, was presented April 6 and 7.

Thus we leave "dear old FCHS" as a class of graduates looking forward to a brilliant future with these treasured memories to carry with us.

Senior Class Prophecy

It is a warm autumn day when two '62 Forreston graduates enter the Gala Davine, an elegant restaurant on New York City's famous 5th Avenue. As Pat Lambrecht and Neil DeWall enter they are greeted by the manager, Gayle Schneiderman. The following conversation is quite revealing in regard to members of the illustrious Class of '62.

Gayle: Well, hi, Pat! Neil! It surely has been a long time! What are you doing in New York? How's the star reporter for the New York Times?

Pat: Just great! I've been assigned to cover the opening of the "Gala Davine."

Neil: Yeh, and I've assigned myself to sample the cooking. I've just finished the drawings for the Interior Decorating School. Norma Anderberg is going to be the general manager.

Gayle: She's come a long way in the six years we've been out of high school.

Pat: Yes, she has. Gayle, did you hear that Lloyd Folkerts is in town, too? He's opening at Carnegie Hall next week, giving his star performance on the cornet.

Neil: What happened to Larry Meyers and Kermit Daniels after they finished college?

Pat: They both started a business of their own.

Gayle: Pat, did Carol Hagemann and Judy Haijenga get the secretarial jobs that they applied for?

Pat: Yes, a month after graduation. Jane Duitsman, Leona Hoch and Helen Krum are employed in an office, also.

Neil: What happened to Mike Scott and Darlene Ross?

Gayle: I got a letter last week from Mrs. Michael Scott saying that they are in Wisconsin. Mike's drawing plans for General Motors, now.

Pat: How's Lyle Temple doing at Cordova?

Neil: He's still tramping the old gas pedal. He came in first place two weeks ago in the Grand Champion Sweepstakes.

Gayle: Say, I read in the Times that Bob DeVries raised and showed the World Champion Landrace Hog. Speaking of FFA boys, what happened to Lyle Coffman?

Neil: Lyle owns his own cattle ranch now.

Pat: From the news I hear, he and Joann got married.

Neil: Carlton Johnson is running his own barbershop in Forreston. Coach Carl Forney is scheduled to appear at the Rose Bowl next month. Bonita Greve is going to be featured there, too, on the International Cheerleading Squad.

Pat: I received word from Lyle Robinson last Monday that he likes the Navy quite well. He's been promoted to Chief and is awaiting orders to embark for Hawaii.

Gayle: Is Steve Borchers enlisted in the Navy yet?

Pat: No, he's back in German Valley. He's running Borchers Bros. now.

Neil: What ever happened to Jerrene Borchers and Larry Stein?

Gayle: Jerrene is doing experimental work as head lab technician at Iowa State. Larry took over the Stein Bros. after his father retired. I received a letter from Faye Ruter last Wednesday. She said that George Lamm, Gale Ludewig, and Randall Bolen have farms of their own back in the old home state. Faye is enjoying the farm life, too.

Pat: We've got a big wheel in Washington, D. C.

Neil: Who's that?

Pat: Barb Link. She heads the National FHA Department.

Neil: Did Judy Asche ever make it to Canada?

Pat: She surely did. She's teaching Phys. Ed. classes in that new iron ore region near the Arctic Circle.

Gayle: Has Sandy Gagliardi graduated from nurse's training?

Neil: When I stopped at the Standard Station in Forreston Jerry Stukenberg told me she is working at Dixon State Hospital and she is really happy with her work.

Gale: Pam Kramer is working at Rockford Memorial Hospital. Is Linda Nevenhoven or Cheryl Malott working at Freeport Memorial Hospital?

Pat: Linda is, but Cheryl has become a surgical nurse and is working in Chicago.

Pat: I read an article in "Look" Magazine featuring outstanding beauticians in America. They gave honorable mentions to JoAnne Miller, Diane Nesemeyer, Marlene Pierson and Carol Stukenberg. They all have their own shops.

Gayle: When will that program for the armed forces be put on here in New York City?

Pat: I'm assigned to cover that, too. It's scheduled for December 23. It is supposed to be quite a spectacular with the "Ladies in Uniform" giving the performance. Donna Raymond, Karen Moore, and Beth Smith are to participate and Dianne Wiley is going to take time out from her Corrective Speaking School to M.C. the program. Karl Harmon is stationed in the Phillipines at our Air Force Base there.

Gayle: Out of a class of fifty-four, we have three who went into the field of religion.

Neil: Who else besides Gerry Kaney, an agricultural missionary?

Gayle: Well, Roseann Raymond is in the foreign fields, and Dorothy Ratmeyer is teaching and helping to preserve Freedom of Religion here in the States.

Neil: What became of Dave Graff's jokes?

Pat: He's still leaving his friends in stitches.

Neil: How is Virgil Hayunga?

Gayle: Virgil owns and operates his own garage.

Pat: Karen Hoch is teaching now, isn't she?

Gayle: Yes, she teaches an elementary class in a small school in Texas.

Neil: Are Diane (Genkinger) Murray and Nancy (Rogers) Waack still around Forrester?

Gayle: Yes, they have their own families now and are very happy. And did you hear about Fred Wiederholtz? He began to help his father repair rifles and now he has developed a special rifle that our next astronaut will take along to the moon.

Pat: Look at the time. I've got to run. I've got a story to write. Sure glad we ran into each other, Neil. Good luck on the restaurant, Gayle. I'll see you around. Good-bye.

Neil: Bye, Pat. Say, how about my food!

Gayle: Coming right up.

The 1961 Cardinal Cross Country Team "flew" through a highly successful season by winning six out of seven dual meets and placing second to Pecatonica in the Route 72 Conference Meet. The boys also placed second in one triangular meet and third in another.

The frosh-soph did equally well by climaxing their season with an impressive victory in the Route 72 Meet. Larry Sluiter was the top yearling for the season, but Wayne Miller deserves much credit for his stellar performance in the Conference Meet. Wayne was a regular footballer, but he willingly traded heavy football gear for running shoes and was the first Forreston runner to enter the chute. He was third among all the conference cross country boys.

Varsity letter winners were: Seniors - Bob DeVries, Gale Ludewig, Larry Stein, and Lyle Tempel; Juniors - John Kitzmiller, Gerald Vietmeier, and DuWayne Everts. Tempel and Ludewig were probably the most improved runners as compared to 1960. John Kitzmiller showed promise for track this spring.

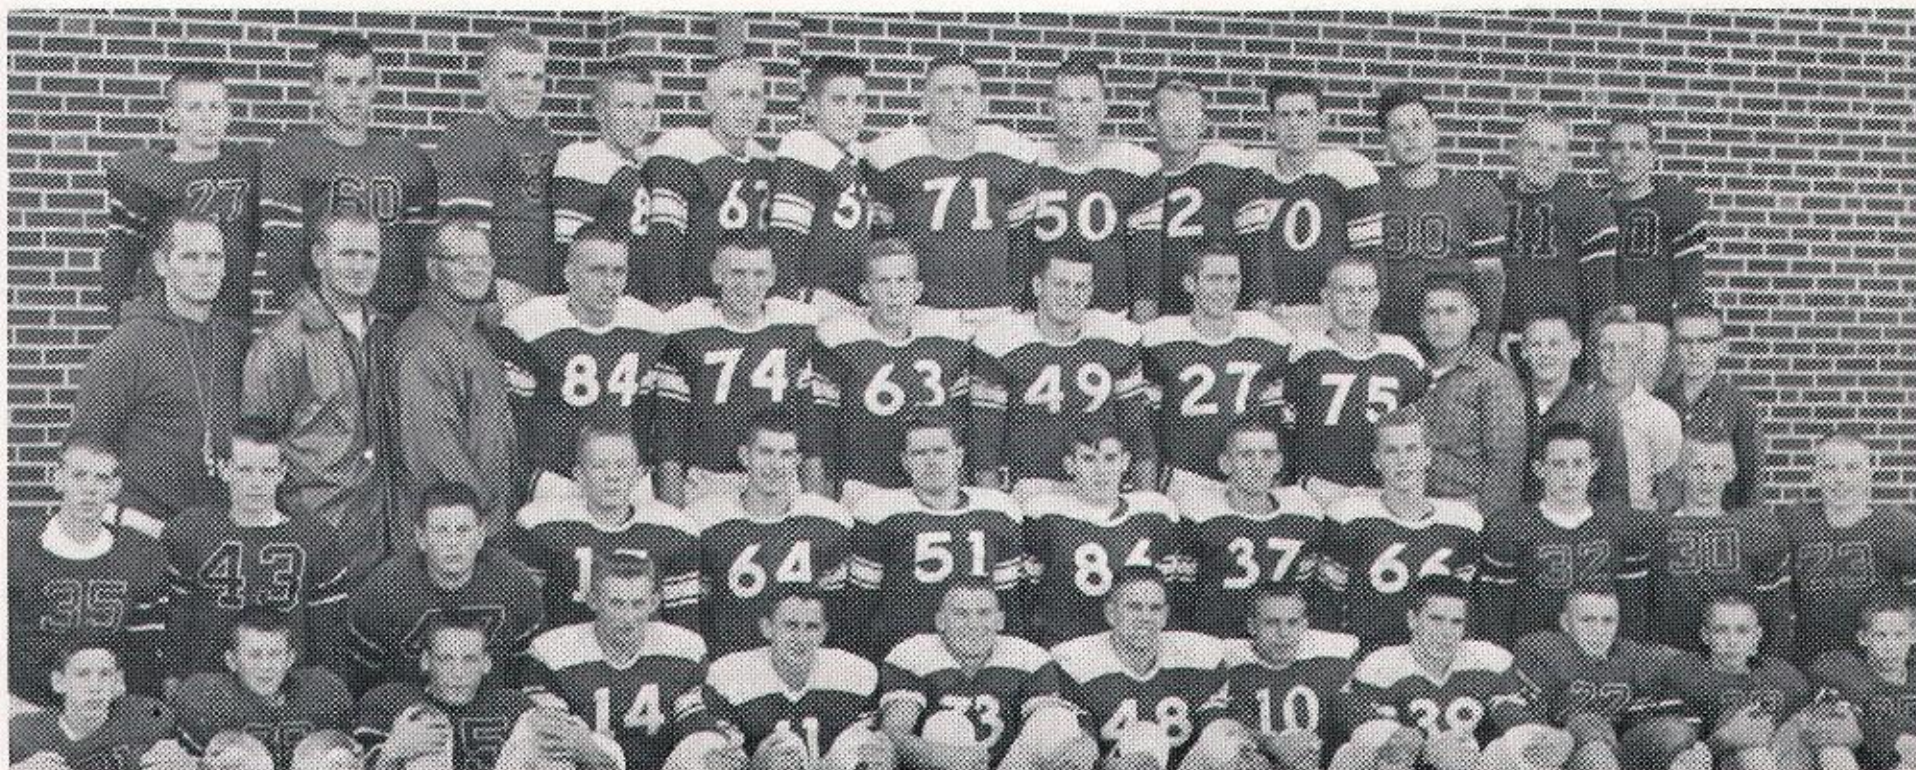

The Conference Meet was held at Forreston on October 18. The results were as follows: VARSITY: Pecatonica 32, Forreston 65, Franklin Center 72, Byron 79, and Stillman Valley 100. FROSH-SOPH: Forreston 47, Franklin Center 64, Byron 72, Pecatonica 72, and Stillman Valley 81. Cross Country scoring is similar to golfing--the low score wins.

Our "Cardinal Footballers" had a successful year. They ended in 3rd place in the Route 72 Conference and 7th in the Journal Standard Top 10 ratings. The first game at home was with Mt. Morris. We played hard but lost 27-6. Then we played a powerful Winnebago team. We were behind 6-0 at half-time. The second half wasn't as good, for Winnebago outscored us 19-0 in the rain and mud. Then came Stillman Valley and a 0-0 tie. After that game we really played ball, winning the remaining games. We played Pecatonica at Forreston, outscoring them 21-14 for our first win of the season. We then traveled to Franklin Center, where we won by a 27-0 score. Then came the game which everyone had been waiting for, our Homecoming game with Leaf River. Our boys were fired up for this game. In previous years Leaf River had often overpowered us. 1961 was different. We won 34-12. Byron was next, at Byron. In this game Carl Forney finished his high school football career, because he became 19 years old a few days later. We won this game easily, with Carl running for 3 TD's, or 18 points, before his 19th birthday.

Don Schneider replaced Forney for the last game. He did a great job, scoring three touchdowns. We won this game 29-0 over Ashton on our field. Bud Coffman scored his only TD of the year in this game when he ran 30 yards in the last quarter. So all-in-all it was a very successful year. Besides having a five game winning streak to carry on to next year, there will be 12 returning lettermen. Through graduation we will lose many fine players. From the backfield will be gone Carl Forney, the team's leading scorer; Jerry Stukenberg, the able field general; and Lyle Coffman, a hard running flanker. In the middle of the line we will lose Fred Wiederholtz and Carlton Johnson. These two were capable on defense as well as offense. Virgil Hayunga was a lineman who proved his worth throughout the past season. Mike Scott played capably at end. He was a very good pass catcher, although he was one of the smallest Route 72 flankers. The returning lettermen for next year are Leighton Duitsman, Mickey Dwyer, Rich Gronewold, Tom Kriens, Paul Ruter, Don Schneider, Gene Simmons, Paul Swalve, Bob Bowers, Lee Coffman, Bob Raleigh, and Dick Stocker. A number of others will develop to help out next year's team.

Frosh-Soph Review

The Frosh-Soph won the Rt. 72 championship via a rare display of courage and skill in their final game at Byron. The score was 0-0 at the half. Stocker was not to play in the second half, being kept out for the Varsity. Raleigh could play only the third quarter. Then the roof fell in. Byron ran the second half kickoff down the north side line for a touchdown. Then the extra point made the count 7-0. Bill Black, the Baileyville flash at our right end spot, said, "I saw that Byron speed demon whiz by, but I couldn't catch him." Things looked dark for the Cardettes. Stocker and Bowers were gone, and Raleigh had only minutes to play. But the whole gang got busy. Raleigh did more plunging, lunging, and twisting than ever before. That tough line of Black, Brass, Faulkner, Frisbie, Coffman, R. Schneiderman, Janssen, Miller, Frank, and Moring really dug in. Walt McIntosh threaded the needle with several passes to glue-fingered Randy Schneiderman. Mighty Mite, Gary Ross, Dennis Meinert, and Jim Schneiderman did their share in the backfield and these stout-hearted lads gained one of the greatest victories of the year -- a fine 12-7 win over a good Byron club. These boys are the toast of the present and the hope of the future. The sophs will help next year's varsity and the frosh will keep the '62 yearlings rolling. What won't they do in '62?

Pep Club, the organization which cheers the Cardinals on to victory, was designed to encourage enthusiasm among the Forreston fans and to give positive and dynamic leadership for student school spirit - "Cardinal Spirit."

All the members sit together at every game to project more volume in voice and spirit to the team whether they are on top or whether they are behind.

Club dues and a ten cent fee for riding the Pep Club bus are collected to buy the awards earned at the end of the season. This year, to send next year's cheerleaders to camp, we sold new Cardinal buttons.

The officers for this year are as follows:

The 79-piece FCHS Band began another banner year by playing between games and at halftimes of the Varsity football games. The band marched to the theme of "Doodles" on Homecoming night during half-time of the Varsity game. Many fine performances were given by the band, and also Pep Band, for the home basketball games.

During the summer of '61, the band presented excellent concerts downtown every Wednesday night.

The FCHS Band and the Leaf River Band presented a combined concert in the FCHS Gym, November 29. The 120-member combined band played four selections. Also, individual selections were presented by each band. During the second semester, the Forreston Band traveled to Leaf River to help present a similar concert there. Both band groups enjoyed the group activity.

1961 - '62 brought another large group of girls to Girls' Chorus. This group serves an important purpose of giving the girls valuable training for Mixed Choir. The main project this year was to prepare and give a spring concert. Almost ninety girls can do a lot of singing.

There were forty-eight members in Boys' Chorus this year, with Dave Buttel serving as pianist. Mrs. Amsrud has commented that this is the most well-balanced boys' chorus to represent us in several years. At the Ogle County Institute at Oregon on February 9 they royally entertained the county teachers and received many fine compliments. They sang like professionals, holding undivided attention from this critical audience.

Choice selections rendered by the group during the year included: "Be Kind to Your Parents," "Down the Open Road," "Some Enchanted Evening," "Chisholm Trail Days," "Rock-a-My Soul," "Rollin' Down to Jordan," and "Climbin' Up the Mountain."

This Boys' Quartet has been one of the best that ever represented FCHS. They won several substantial money awards and had more calls during the school year than they could meet. They also sang at the Ogle County Teachers Institute in February, being well received by that group. It will be difficult to replace this great quartet since the three seniors will be gone: DeWall, Johnson, and Coffman.

LEFT TO RIGHT - Leighton Duitsman, Neil DeWall, Carlton Johnson, Lyle Coffman.

The '61 - '62 year has been another success story for the Choir and their veteran director, Mrs. Amsrud. Forty-four girls and twenty-nine boys blended their vocal talents to make this another outstanding musical organization. They sang at the community Christmas program December 17 and the Easter Cantata, "Were You There?" They also sang at the Baccalaureate services on May 27.

The fine harmony from this group has been heard in and near the music room every Friday during the ninth hour and on the first and third Tuesdays during the seventh hour.

The Instrumental Contest this year was held at Freeport. Even though there was stiff competition, Forreston received several seconds, and the marimba duet of Gayle Schneiderman and Darlene Ross received a first which entitled them to compete in the State Contest at Macomb, Illinois. Congratulations to everyone who competed in this contest!

The Vocal Contest was also held at Freeport the same day as the Instrumental Contest. Carl Forney received a first rating on his vocal solo, and the boys' quartet - DeWall, Johnson, Coffman, Duitsman - received a first. This entitled both numbers to go to the State Contest at Macomb, Illinois.

The other contestants won seconds and thirds at Freeport but this did not qualify them to go on to the State Contest. All participated and did well. Our hearty congratulations go to each one of them.

Organizations

As feathers give beauty and protection to the Cardinal, So our organizations lend color, variety and security to school life.

BARBARA LINK, STATE PRESIDENT

One of the finest honors our school and community has had in recent years was the election of Barbara Link as state president of the Illinois Future Homemakers of America. As such she was the elected leader of 29,628 girls who were members of 592 local FHA chapters in Illinois. Nor was she merely a girl with a

"title." She was an acknowledged leader and she effectively directed the work of the organization. Gov. Otto Kerner and other youth leaders at Springfield were impressed with her ability to handle a meeting and her presentation of business.

She addressed numerous chapter meetings in Northern Illinois, attended two national con-

ventions in Chicago and two state meetings at Springfield. She closed her term by presiding at the three day State Convention in June at Normal. She also excelled in the many committee duties she had. F.C.H.S. and the entire community is justly proud of Barbara Link -- the "first lady" of Illinois Future Homemakers of America.

The name of our chapter is the Forreston Chapter of the Illinois Association of Future Homemakers of America.

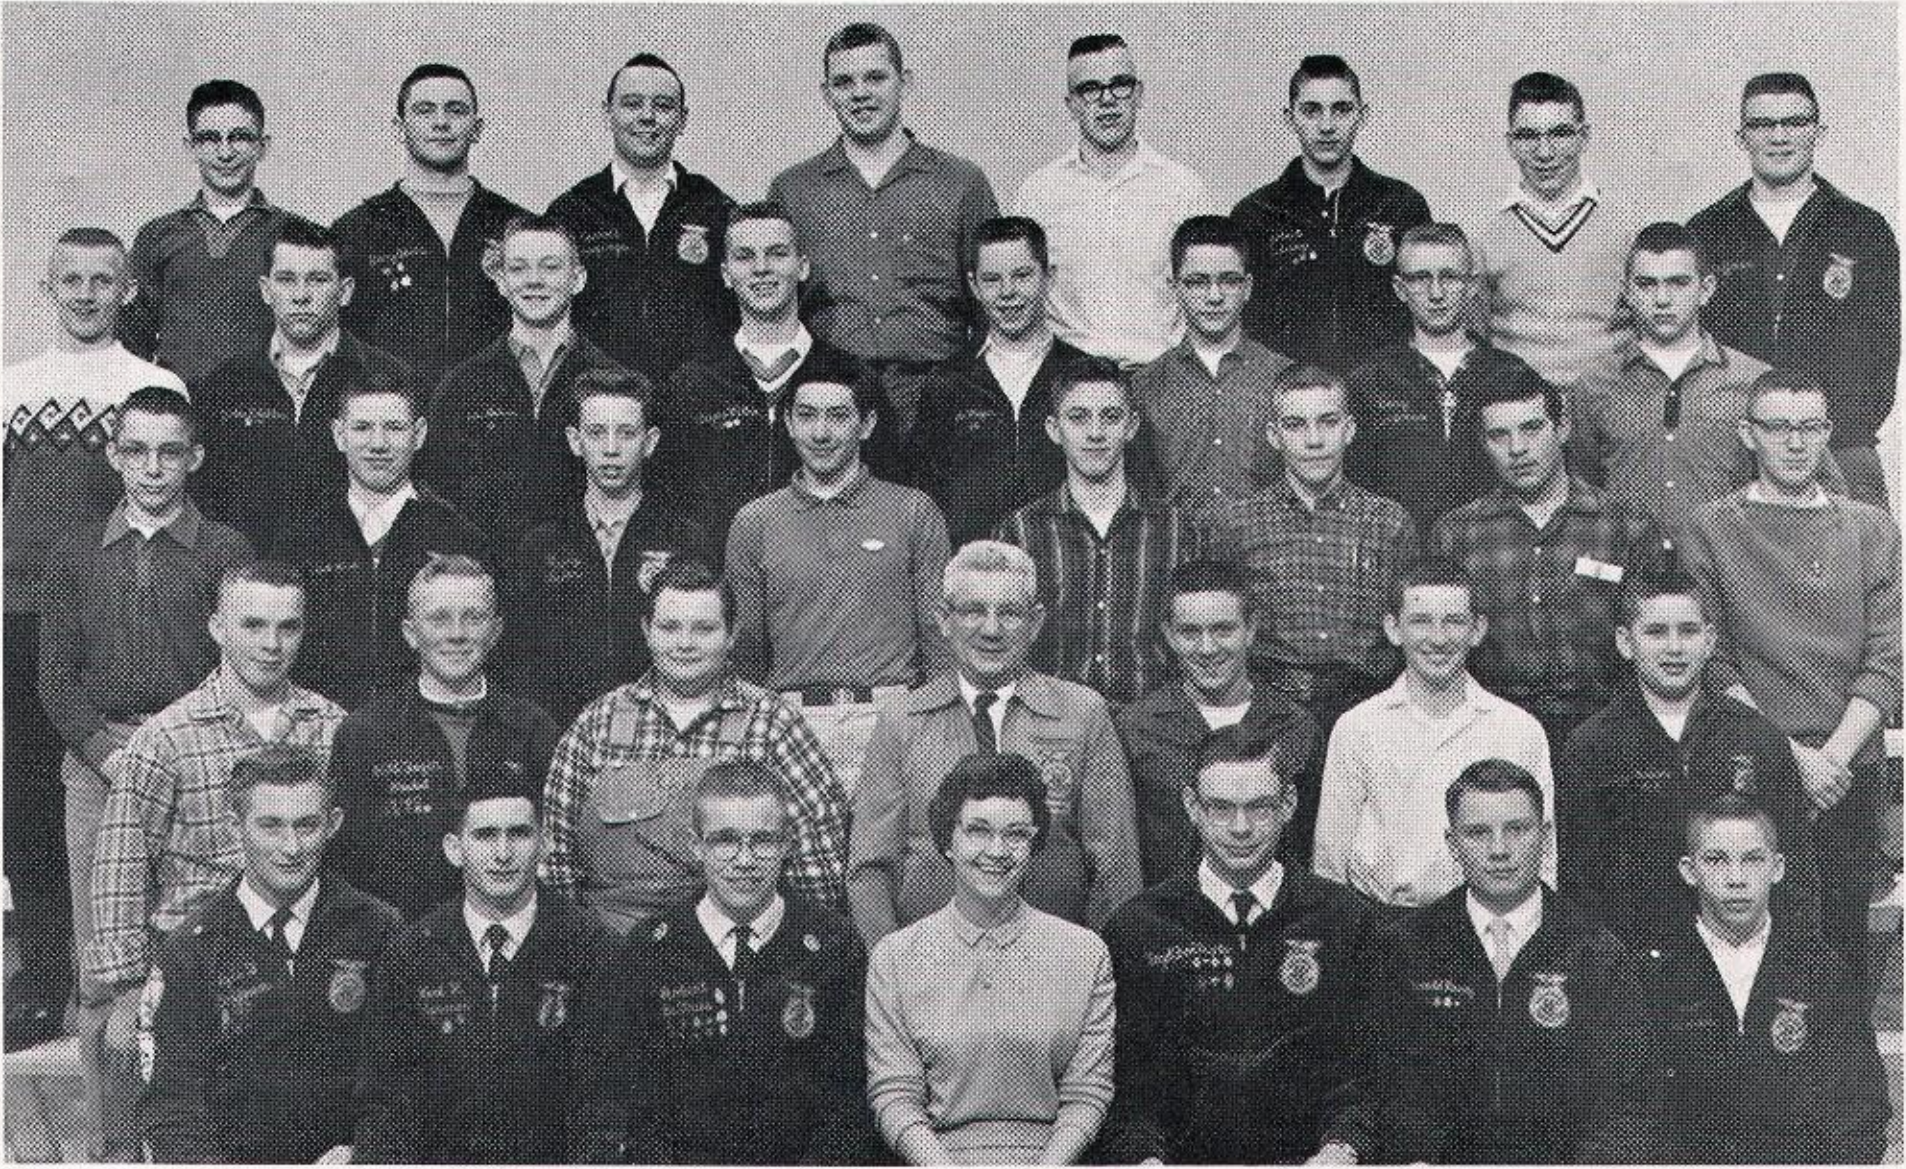

Our theme for this year was "Values - Key to the Future." We were very pleased to receive the Illinois Bankers Award for having the highest rating chapter among the 36 schools in Section 22 for the 1960 - 61 school year in the Chapter Activity Contest. The award was made for the Ogle County Bankers Association by G. R. Duitsman, F.C.H.S. '41, and now cashier of the Forreston State Bank.

Varsity track material was a bit short this year but the frosh-soph more than made up the difference by handily winning their division of the Rt. 72 Conference Meet.

The varsity letter winners were Bob Bowers, Tom Kriens, Leighton Duitsman and Fred Wiederholtz. Tom Kriens was high point man and so has his name on the track trophy for 1962. He has a chance to repeat in 1963 since he is a junior.

The frosh-soph award winners were Bob Bowers, Dave Buttel, Drew Duitsman, Gale Frank, Walter McIntosh, Wayne Miller, Bob Raleigh, Jim Schneiderman, Randy Schneiderman and Dick Stocker. Bob Raleigh was high point man in this division.

The Conference Meet was held at Forreton May 17. The results were:

Miscellaneous

Among tail functions are a brake for landing, a rudder in flight, added beauty to the whole bird, and the end. In like manner a variety appears in this final section.

Homecoming

King Jerry is crowned by Gayle Schneiderman.

King Jerry and Queen Sandy with their court.

Queen Sandy is crowned by Larry Stein.

"Black Magic" was our theme for Homecoming last fall. King Jerry Stukenberg and Queen Sandy Gagliardi presided over the affair with valuable assistance from their court: Mike Scott, Norma Anderberg, Tom Kriens, Judy Kielman, Bob Bowers, Eileen Buttel, Dick Stocker, and Jill Ross.

The royal throne was located under a huge black mask on the stage. At the other end of the gym was a deserted graveyard in which rested our seven Rt. 72 rivals. A witch was stationed to watch over the cemetery, and a pale orange moon was overhead. In mid floor there was a large black pot filled with steaming witch's brew. It created a fine autumn scene and everybody seemed to enjoy the occasion very much.

The Grand March.

The King and Queen lead the Grand March.

Junior Play

On November 10 and 11, the Junior Class presented as their class play the hilarious three-act comedy entitled "Lock, Stock, and Lipstick." A fine group of juniors under the expert direction of Mrs. Capps gave two commendable performances. The same cast appeared both nights.

The action of the entire play took place in the guidance office of Pembroke High School. The play opens with Mr. Warren, school guidance counselor, who is very much opposed to women, discovering Miss Gardner, a girls' counselor, is going to live right in his office. To complicate matters, a large sum of yearbook money is reported missing. In the end right triumphs; the yearbook money is recovered, and Mr. Warren changes his mind about women. In fact, he decides to marry Miss Gardner!

The cast of characters was as follows:

Gordon Warren	Dick Leerhoff	Miss Prather	Sandy Zumdahl
Charlie Plunkett	Roy Rummel	Jane Gardner	Diane Ruter
Mrs. Maggs	Joyce Dentler	Carol Izzard	Jean Schneiderman
Mary Lou Brennan	Pauline Heeren	Mrs. Donley	Julie Miller
Don Donley	John Kutz	Extras	Rose Marie Roach,
Larry Donley	Daryl Moring		Joanne Forney, Paul Ruter,
Miss Entwistle	Lana Scheider		Diana Trei, Paul Swalve

Senior Play

On April 6 and 7, the Senior Class presented their class play, "Take Your Medicine," under the direction of Mr. Farley. The play was double cast as follows with those appearing on Friday night listed first:

Henry K. Dodson	Fred Wiederholtz,	Charlotte Nelson (Lottie)	Cheryl Malott
Angela Warren	Larry Meyer	Jack Benson	Karen Hoch
Dr. William Jackson (Bill)	Joann Bornemeier	Jonathan Puckett	Neil DeWall
Miss Holt	Judy Asche	Miss Cordelia Puckett	Gerald Kaney
Patricia Pryor (Pat)	Carl Forney	Miss Finkledink (Turtle Dove)	Norma Anderberg
Dorothy Carleton (Dottie)	Linda Nevenhoven	Dodie Blake	Carol Hagemann
	Patsy Lambrecht	Hoofendyke	Barbara Link
	Marlene Pierson		Diane Nesemeyer
	Jerrene Borchers		Beth Smith
	Gayle Schneiderman		Donna Raymond
	Dianne Wiley		Virgil Hayunga
			Karl Harmon

The entire action of the play takes place in a bright cheery room in a private hospital where Jonathan Puckett, an elderly man who is the pet of the hospital, and Henry K. Dodson, a new patient, are staying. When Mr. Dodson first arrives at the hospital he is very cranky and unruly, but after his stay there his personality is greatly changed. He becomes very kind to everyone, and he even apologizes for the way he acted previously. All of the other characters add comedy to the play, and from the response of the audience the play was very successful.
